

Jennifer Davis for Congress Summer 2026 Internship Program

Building the Movement: Fresh Leadership for Illinois Families and Washington, D.C.

We're excited to announce that applications for the Jennifer Davis for Congress Internship Program are now open!

Jennifer Davis — tech entrepreneur, mom of 10, political outsider, and Republican nominee for Illinois' 8th Congressional District — is running to bring common-sense business practices, family-first values, and real results to Congress. We're done with career politicians, government overreach, crushing costs, and policies that hurt families, limit opportunity, and push out small businesses. This summer, we're looking for students ready to gain real-world experience and help deliver meaningful change.

Program Overview

- Duration: Flexible June–November 3rd 2026 (full-time or part-time)
- Location: West Dundee HQ + select hybrid/remote roles
- Format: Hands-on work with mentorship and weekly team huddles
- Stipend: Unpaid (college credit eligible); mileage reimbursed
